

Mental Health Connecticut (MHC) recognizes the benefits of the arts in recovery. Mental Health Connecticut's exhibit "Mending Art," is open to all Connecticut artists who know the benefits of art and wellbeing, and who wish to share their work. All styles and mediums are welcome! Let your art be as unique as you are!

Mental Health Connecticut (MHC) has worked statewide to improve mental health services, promote recovery for people with mental health conditions, educate the community about the importance of mental wellness, and combat discrimination resulting from a mental health diagnosis.
